STANDARD GUARANTEE

Endorsed by The American Shorthorn Ass'n

- A. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.
- B. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
- C. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age, shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.
- D. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of a freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction to all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.
- E. In the event an animal is returned by the buyer to the seller as a non-breeder the buyer must furnish the seller a veterinarian's certificate showing that his herd is healthy if such a certificate is required by the seller.
- F. All animals catalogued have been tested for T.B. and are clean, and have also passed a test for Brucellosis thirty days prior to the sale, or are accompanied by a Bangs Vaccination Certificate. Announcements will be made covering animals not clear from vaccination.
- G. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females showing names and record numbers of sire and dam, as well as service date.
- H. All prospective buyers should check health requirements of their states. Health certificates will be provided with each lot sold.

GENERAL INFORMATION

LOCATION — The sale will be held at the Putnam County Fairgrounds, Cookeville, Tenn. The fairgrounds are located $\frac{1}{4}$ mile north of jct. Interstate 40 and Tennessee State Route 42.

TIME — Show of sale cattle will be held at 9:00 a.m., Saturday, April 7, 1973. The sale will start promptly at 12:30 p.m., Saturday, April 7, 1973.

LUNCH — Will be available on the grounds.

SALE HEADQUARTERS — Holiday Inn, Cookeville. This motel is located right across the road from the fairgrounds.

HEALTH — All cattle will be sold according to the Health Laws of Tennessee. Inter-State health charts will be provided, but all buyers should make themselves aware of any deviations from Tennessee law that might be applicable to entry into their own state. **Brucellosis:** All cattle will have a test for Bang's within 30 days of the sale, unless they are officially calfhood vaccinated and under the minimum age, or unless they come from Bang's Certified Herds. **T.B.:** All cattle will have a clean test within 30 days unless they come from Federally-Accredited Herds.

GUARANTEE — The cattle are to be sold under the recommended guarantee of the American Shorthorn Breeders' Association. Where footnotes appear in this catalog, they were furnished by the consignors. The Tennessee Shorthorn and Polled Shorthorn Association, the consignors, or the owners of the sale facilities will not be responsible for any accidents that may occur but will make every effort to provide for the safety and comfort of those attending. Every person attending must assume risk of injury to himself.

The guarantee shall constitute a contract between the consignor and the buyer of each lot. Neither the sale manager, the auctioneer, nor the clerk of the sale assume any liability of any kind. The sale manager was retained by the Tennessee Shorthorn and Polled Shorthorn Breeders' Association for the specific tasks of compiling the sale offering, preparing the catalog, handling advertising and publicity, transferring pedigrees and dispersing receipts, and assumes no liability for fulfillment of guarantees or errors in health papers. Any announcements or correction of material in the catalog made from the auction stand on sale day will take precedence over the matter in the catalog.

Dear Cattlemen

We are very fortunate in having so many good producing cows consigned to this sale with calves or due to calve soon. In a year when many cattle sales had to be canceled because of the demand for registered breeding stock, this will be a sale you will want to attend to add some excellent producing units to your herd.

Cattle in this sale are consigned from some of the nation's best-known herds. The sale is sponsored by the Tennessee Shorthorn and Polled Shorthorn Ass'n, and the Tennessee Department of Agriculture. Tennessee is the home of one of the outstanding consignment sales each year — The Tennessee National Show and Sale, the second Saturday in November.

Offered here are excellent herd sires of serviceable age that can work improvements in many herds. Shorthorn and Polled Shorthorn bulls have proven through the years, year after year, they can do anything any other breed of bulls can do. When you buy a Shorthorn or Polled Shorthorn you are not gambling with something new and many of your questions are answered. Many of your exotic cattle of today that are doing an excellent job go back to Shorthorn blood.

The registered Shorthorn and Polled Shorthorn cattle breeders have experienced a stable market, year after year. And if you are in the commercial cattle business you will be pleased with the many things a Shorthorn bull can do for you.

You are invited to attend this show and sale and the Tennessee Ass'n banquet and meeting, Friday night, April 6, 1973. Make your reservations direct to the motel or with Charles Lee Curtis, Secretary-Treasurer, Tennessee Shorthorn Ass'n, Rt. 7, Cookeville, Tenn. Ph. 615/823-1551.

Sincerely

DON L. SMOCK, Sale Mgr. & Auctioneer.

WIN THIS HEIFER

Dear Shorthorn Breeders:

The Tennessee Shorthorn Breeders Association is working hard to promote Shorthorns in Tennessee and throughout the South. While planning our Spring Sale for April 7 at the Putnam County Fairgrounds in Cookeville, we decided to take donations on a heifer calf at the rate of \$1.00 per ticket. Proceeds from this will be used for the promotion of Shorthorns and Shorthorn Breeders. The drawing will take place just before the sale begins.

For your ticket, mail \$1.00 to the Tenn. Association Secretary, Charles Lee Curtis, R.R. 7, Cookeville, Tn. 38501.

He will return your ticket by mail and you do not have to be present to win.

Your help in promoting Shorthorns and our sales will be appreciated.

Sincerely,

CHARLES LEE CURTIS.

H C S MR. BUCK LEADER x—Consigned by Curtis Farm. This is a bull we should be keeping, but we will sell him with confidence. Study his pedigree because it is great. Just remember that many of his half brothers and sisters have been grand champions in Chicago, Kansas City, Denver, and many other shows. Look at this bull real close for he is a big, thick, heavy-muscled bull that is structually correct and sound. Don't overlook this son of Leader 6th x.
